1. Please edit “About SUMOSAVE” as below –

“Sumosave is a large neighborhood supermarket which offers a relevant range of food & grocery and home needs products to its customers. Our stores carry daily use products in categories such as staples, packaged grocery, personal care, home care, beverages, dairy, fruits & vegetable, kitchen, and home needs.

We provide best value possible for our customers, so they can get maximum saving on their shopping when shopping at Sumosave supermarkets.”

Please remove – “INDIA’s leading GROCERY Supermarket”

I can see a large visual gap between Explore and the tabs of new supplier etc. (see below). This needs to go –

Remove leading from here also –

I don't think we need this section on the landing page, you can remove it –

Instead of “why we are the best” suggest we headline this section as “Why should you choose Sumosave”?

#1 Savings – we give you savings on your everyday grocery products which matter to you. All our savings are transparent and come on the bill. Our aim is to maximise savings on products which are important to you. We try and save everywhere so that we can pass on the savings to you. If you feel that our prices are high on any product, tell us and we will aim to lower our prices.

#2 Close to you – our stores are in your neighborhood, close to where you live. There is no need to travel out to get the best savings in the city! We offer free parking and all conveniences.

#3 Quality – our focus on quality is unwavering. We understand that we must offer you products of the highest quality while maximizing your savings. The Sumosave team will work hard to source the best quality products for you.

ABOUT US

Is ok, can you please re-format as below –

About Us

Sumosave is a **large neighborhood supermarket** which offers a relevant range of food & grocery and home needs products to its customers. Our stores carry daily use products in categories such as staples, packaged grocery, personal care, home care, beverages, dairy, fruits & vegetable, kitchen, and home needs. We aim to provide great value on these products while maintaining our commitment to quality.

Sumosave was started in November 2022 by **Mr. Mohit Kampani** and his family with an aim of serving Indian middle-class families.

Our team works hard to source products at **most competitive prices** and be most efficient in our business operations. This helps us sell products at the lowest possible cost.

Our Vision

To provide our customers with quality products at lowest possible prices

Our Mission

We want our customers to be able to buy daily use products at low prices close to their home, always of high quality.

Our Values

In Categories – I will have to edit the descriptors, will revert. Please remove the electronics visual.

PARTNER WITH US – am not able to open the forms? Can you please simplify this? Prefer fields directly on the screen.

CAREERS – please put in one job profile, I want to see how it looks.

FEEDBACK – is ok.
